COMMENTS				

ORAL PRESENTATION GUIDELINES (for in class use- non-graded)

Part 1 : Determining your topic

Below are some questions which you need to consider when preparing your presentation.

1. What is the topic of your presentation?	
2. What is the focus of your topic?	
3. Are your classmates familiar with the focus of your topic?	
4. Are your classmates interested in this topic?	

Part 2 : Mapping your ideas

TOPIC:

Thesis Statement
(Complete sentence)

Arduino has gained popularity among hobbyists, students, and professionals due to its low cost, ease of use, and flexibility. With its wide range of sensors and actuators, Arduino can be used to create a variety of projects, from simple blinking LED lights to more complex robotics and home automation systems. It is also an ideal tool for introducing students to the world of electronics and programming.

Main Idea 1

Good (3m), Fair (2m), Poor (1m)

***Scoring for Time Management:**

Within specified time (1m), 2-3 minutes of over/less than specified time (0.5m), 4 or (+) minutes of over/less than specified time (0m)

GROUP DISCUSSION SAMPLE SITUATION 1

- ❖ Lecturers may adopt or adapt the given situations or prepare own situations for the assessments

Instructions to candidates:

This test consists of two tasks, *Task A* and *Task B*.

Task A is carried out first followed by *Task B*.

[1] [SEP] You are given **one** minute to read the instructions and the tasks given.

Task A: Individual Presentation (2 minutes)

- You have **two** minutes to prepare your response. [1] [SEP]
- You have **two** minutes to present your views. [1] [SEP]
- Listen to the others while they are making their presentations and take down notes for the [1] [SEP] group interaction in *Task B*. [1] [SEP]

Situation

The recreational park at your neighbourhood is constantly vandalised. Suggest some ways to solve this problem.

Candidate A: You suggest reporting to the authorities of any suspicious activities. Elaborate.

Candidate B: You suggest cleaning up the vandalism together as a neighbourhood as soon as it happens. Elaborate.

Candidate C: You suggest setting up a neighbourhood watch. Elaborate.

Candidate D: You suggest organising social activities in the neighbourhood. Elaborate.

Task B: Group Presentation (10 minutes)

- You have **two** minutes to prepare for the discussion. [L]
[SEP]
- You may maintain or change your views presented in Task A. [L]
[SEP]
- In your discussion, you may support or oppose the other candidates' views. [L]
[SEP]
- At the end of the discussion, try to come to a group decision. [L]
[SEP]
- You are given **ten** minutes for the discussion. [L]
[SEP]

Situation

The recreational park at your neighbourhood is constantly vandalised. Suggest some ways to solve this problem.

Task B: Discuss which of the following is the most effective way to prevent vandalism.

- a) Report to the authorities of any suspicious activities.
- b) Clean up the vandalism together as a neighbourhood as soon as it happens.
- c) Set up a neighbourhood watch.
- d) Organise social activities in the neighbourhood.

GROUP DISCUSSION SAMPLE SITUATION 2

Instructions to candidates:

This test consists of two tasks, *Task A* and *Task B*.

Task A is carried out first followed by *Task B*.

You are given **one** minute to read the instructions and the tasks given.

Task A: Individual Presentation (2 minutes)

- You have **two** minutes to prepare your response.
- You have **two** minutes to present your views.
- Listen to the others while they are making their presentations and take down notes for the group interaction in *Task B*.

Situation

The recreational park at your neighbourhood is constantly vandalised. Suggest some ways to solve this problem.

Candidate A: You suggest reporting to the authorities of any suspicious activities. Elaborate.

Candidate B: You suggest cleaning up the vandalism together as a neighbourhood as soon as it happens. Elaborate.

Candidate C: You suggest setting up a neighbourhood watch. Elaborate.

Candidate D: You suggest organising social activities in the neighbourhood. Elaborate.

Task B: Group Presentation (10 minutes)

- You have **two** minutes to prepare for the discussion. [1] [SEP]
- You may maintain or change your views presented in Task A. [1] [SEP]
- In your discussion, you may support or oppose the other candidates' views. [1] [SEP]
- At the end of the discussion, try to come to a group decision. [1] [SEP]
- You are given **ten** minutes for the discussion. [1] [SEP]

Situation

The recreational park at your neighbourhood is constantly vandalised. Suggest some ways to solve this problem.

Task B: Discuss which of the following is the most effective way to prevent vandalism.

- e) Report to the authorities of any suspicious activities.
- f) Clean up the vandalism together as a neighbourhood as soon as it happens.
- g) Set up a neighbourhood watch.
- h) Organise social activities in the neighbourhood.

TEST SPECIFICATION FOR LISTENING TEST
FSPE0022 ACADEMIC LISTENING AND SPEAKING SKILLS

	Conditions	Listening Test (2 Test x 10% = 20%)
A.	Objectives	1. To identify main idea 2. To identify for details 3. To make inference 4. To listen for opinions 5. To identify cause and effect 6. To substitute/replace words with own/given words... 7. To predict
B.	Items	Individual assessment
C.	Propositional features	Audio record Units 1-8 of the textbook
D.	Organizational features	Information transfer questions: 4. Identify main idea and supporting details 5. Match key words to definition... 6. Circle/Choose the correct answer... 7. Fill in the blanks...
E.	Language Level	Formal
F.	Weightage of Marks	2 test x 10%
G.	Duration	2 test x 30 mins
H.	Marking Guidelines	IQ SKILLS ONLINE

**TEST SPECIFICATION FOR FINAL EXAMINATION
FSPE0022 ACADEMIC LISTENING AND SPEAKING SKILLS**

	Conditions	Listening Exam (1exam x 40%)
A.	Objectives	1. To identify main idea 2. To identify for details 3. To make inference 4. To listen for opinions 5. To identify cause and effect 6. To substitute/replace words with own/given words... 7. To predict
B.	Items	Individual assessment
C.	Propositional features	1. Audio record
D.	Organizational features	Information transfer questions: 1. Identify main idea and supporting details 2. Match key words to definition... 3. Circle/Choose the correct answer... 4. Fill in the blanks...
E.	Language Level	Formal
F.	Weightage of Marks	1 exam x 40%:
G.	Duration	1 exam x 1 hr
H.	Marking Guidelines	As specified in the Answer Key and Marking Scheme
